

LabLink Liability Release

- 1. LabLink facilitates matching between verified donor and recipient institutions.
- 2. LabLink does not inspect, certify, transport, install, or guarantee donated equipment and is not responsible for condition, transport damage, installation, compliance, or downstream use.
- 3. The donor remains responsible for accurate safety disclosures, lawful transfer, and institutional compliance.

I acknowledge that LabLink is a managed donation platform only.

I acknowledge LabLink is not responsible for transport, installation, or equipment condition.

I acknowledge my institution remains responsible for regulatory compliance and safety disclosure.
